

# School Community Council

## Fall 2022 Training Sessions

REVISED DATE

November

24

6:30pm

### Session One

#### How to Run Effective School Community Council Meetings

In this session, you will learn about the nuts and bolts for running effective School Community Council meetings: communications, minute-taking, the importance of following the Bylaws, and other tools and strategies available to School Community Councils.

### Session Two

#### Tips and Strategies to Engage Parents

Many School Councils have fallen into the habit of reducing the role of the SCC to raising money for the school. In this session, you will be presented with various ways to engage parents in the life of the school.
