National Science Reading Day

Date and Time: Wednesday, September 18 01:00 pm - 2:00 pm

Science Literacy Week is from September 16-22 and highlights Canada's outstanding scientists and science communicators from coast-to-coast.

On September 18, elementary and secondary school teachers and kids 3-17 are invited to devote a period of the day to science readings. It's all to celebrate National Science Reading Day, September 18 as part of Science Literacy Week 2019. Our STEM & Science Facilitator will be marking this day with a read aloud and STEM activity with Grade 4 students at Joseph Gould PS - tune in in the afternoon via YouTube live on the DDSB STEM YouTube channel; bit.ly/DDSBSTEMYouTube

Orange Shirt Day

Date and Time: Monday, September 30 12:00 am - 11:55 pm

Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in the spring of 2013. It grew out of Phyllis' account of having her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually. The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for the continued creation of a safe, equitable and inclusive school environment as the school year begins. Orange Shirt Day is also an opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come.
