Take Our Kids to Work Day for Grade 9 students

Date and Time: Wednesday, November 2 08:00 a.m.

Take Our Kids to Work is now in partnership with The Students Commission of Canada. The SCC is a charitable organization that purposefully works with others to ensure that young people are valued, heard, and their ideas for improving themselves, and the lives of their peers and communities are put into action. This very much includes careers of the future.

This year, on Wednesday, November 2, Grade 9 students, parents, teachers and workplaces will have options for participating in diverse, inclusive and accessible career exploration on Take Our Kids to Work Day 2022! Wherever students are – at home, in school, or with a parent – you can build your own day based on what fits with your schedule.

Take Our Kids to Work Day offers families a great chance to connect with their kids, sharing their own workplace world while learning about the goals, hopes, dreams and possibilities their child envisions for their future.
